What happens if my product is on backorder after the 45 day limit for submitting purchase invoice date?

If a product is on backorder you must show you ordered the qualifying product during the promotional period and you were not able to receive the product due to backorder status. Do not send purchase orders as proof of purchase. You must provide a screen shot showing that the order was placed during the promotional time period from the distributors system (or partners). You can apply for an exception once the product has been received. Each claim will be evaluated to ensure all other terms and conditions have been met.

How does the trade-in process work (if applicable)?

- HP will pay usual and customary shipping charges for shipping the Trade-in Product(s) as part of this promotion when its designated shipping carrier is used. For customers in Alaska and Hawaii, the cost of the shipping will be deducted from any eligible rebate amounts prior to the rebate being paid.
- You must contact HP's designated shipping carrier to schedule pick-up.
- The shipping instructions are valid for thirty (30) days from the issue date.
- The Trade-in Product(s) must be picked up within thirty (30) days from the date you receive your shipping instructions email or by April 14, 2012, whichever date occurs first, for the appropriate cash-back allowance.
- Trade-in products are any ink, or laser printer– HP or competitive models – not floor standing. Only desktop units are allowed.
- Trade-in Product(s) may be in any condition, as they do not have to be in working condition. All ink and toner must be removed from the printer(s) prior to shipping, and must be packaged separately. They may be included in the same package as the Trade-in Product, but they must be wrapped and bagged separately.

I'm having trouble with my online claim form. How can I get a PDF version?

To get a manual claim form, please call Market Velocity at 1-888-309-2943 Monday - Friday between 8 a.m. and 8 p.m. Eastern Time.

How easy is it to fill out the claim form?

It's very easy. It takes about five minutes.

Trade-in printer must be shipped within 30 days of receipt of the shipping instructions or by April 14, 2011, whichever occurs first.

Where can I find the serial number for my purchased/leased printer(s)?

The serial number can be found on the box the printer came in next to the UPC symbol. Or you can find it on the printer itself.

What if one of my old products is damaged? Do I still get a cash-back amount (if applicable)?

Yes, trade in any old desktop laser / ink printer or scanner, any brand, any condition.

Can I combine HP Trade-In and Save with another offer?

The maximum combinable rebate amount may allow some combinability of the Trade-In and Save rebate amount and HP National Instant Rebates up to the maximum allowable rebate amount. For example, if the Trade-In and Save cash back allowance rebate amount is \$50 and there is a valid Instant Rebate on the eligible product sku of \$30, if the maximum allowable rebate amount is greater than the sum, then the customer will receive the sum of the two amounts - in this case, \$80 (\$30 at the time of purchase and \$50 through the Trade-In and Save program). "Instant rebates" are defined as, but not limited to, instant savings and product specific coupons.

In the case where there is a Big Deal/Contract pricing, customer can take the higher of the two discounts.. (Contact nicole.barrett@hp.com for any exceptions).

HP PurchasEdge program points cannot be combined with HP Trade-In and Save cash back allowance rebate.

Is there a maximum number of products I can purchase/lease and trade in?

Yes. A customer can claim a maximum of 400 products as trade-in.

What if a customer purchases/leases a product and the product is not available for shipment?

If a product has been purchased and is on back-order or is not available to ship at the time of acquisition the customer will not be able to obtain the serial numbers of the new products. In this situation the customer or the reseller claiming on behalf of the customer has 45 days to file a claim from the date your eligible purchase product(s) is shipped.

How is the money for the trade disbursed?

Once the product in question has been received and approved by Market Velocity cash-back checks will be mailed within 6-8 weeks. If you have not received your check within eight (8) weeks from the time you shipped your product and provided proof of your new purchase, whichever is later, please contact customer service.

If I have questions about the HP Trade-In and Save promotion, my claim or my cash-back allowance, whom do I contact?

Please contact customer service or call Market Velocity at 1-888-309-2943.

What if I cannot receive a direct cash back allowance via check from HP, but I purchase direct from HP?

End user customers who purchase **directly** from HP, who are prohibited by law or contract from receiving a mail-in rebate, and are claiming on their own behalf, need to complete the online claims form at www.hp.com/go/tradeandsave. In addition the end user customer must also contact the trade in program manager nicole.barrett@hp.com and inform her that they are an HP Direct customer and provide direct account number and contact information. Once the trade in unit is received and validated by Market Velocity Inc., claims will be processed and the rebate amount will be credited to the customer's purchase order. This process is specific to customers purchasing directly from HP only.

What if I am a reseller for HP, and I want to send my customer to the on-line quote tool, but I don't want them to have an HP shopping experience?

Send them to our channel friendly site that does not have the left navigation that would allow them to go back to hp.com pages.
www.hp.com/go/tradeandsave1

If I am a reseller can I claim on behalf of my customer?

Resellers may submit claims on behalf of their end-user customer who are prohibited by law or contract from receiving a mail-in rebate. If the customer is receiving Big Deal Pricing/Special Government pricing, the net cash back will equal the Trade-In and Save Program cash back minus the difference between the proof of purchase price and the MSRP. If the difference is higher than the cash back allowance for the promotion, the user will not be eligible for the cash back allowance, but will be given the option of free recycling and shipping for the older units.

- Resellers may not submit claims on behalf of themselves.
- The Reseller must pass the full cash back amount to the customer first. This must be clearly indicated on the invoice that the credit has been given up front. HP will be auditing claims to ensure authenticity.
- HP will not compensate resellers for discounts that exceed the promotion trade-in values, except as otherwise noted in this document.
- Participation in the HP Trade-In and Save promotion indicates that end-user customer agrees that its reseller, and not HP, is solely responsible for any negotiated sums exceeding HP's authorized trade-in values.

I am a reseller. What is the Big Deal Calculator and where can I find it?

If the customer is receiving Big Deal Pricing / Special Government pricing, then the Reseller has to confirm that there is further room to add any additional cash back allowance credits. If there is not room then this customer is still able to receive free recycling and free shipping for the older units. Resellers can check their big deal pricing using the "Big Deal Rebates Calculator" located at: <https://eclipse.ebus.hp.com/bd/jsp/login.jsp>

What if as a customer and or reseller I only qualify for free recycling and free shipping?

1. Contact customer service at hptradesave@marketvelocity.com or by calling 888-309-2943 between 8am and 8pm ET, Monday through Friday, to receive a manual claim form.
2. Complete manual claim form, providing the details of the trade-in products.
3. Fax, email, or mail in the proof of purchase invoice reflecting Big Deal pricing or Contract Pricing.
4. Pre-paid, pre-addressed shipping labels will be e-mailed to the reseller within one business day of validation of the proof of purchase invoice.

Your claim must follow the same steps and timing as if you were receiving the cash back allowance.

Who can complete claims on leased equipment?

Claims on leased equipment can only be made by the end user. HP will NOT offer rebate to Authorized HP Channel Partners claiming on behalf of their customer for leased equipment.

Once I have purchased my HP Care Pack, am I automatically registered to receive support for my printer from HP?

No. You must activate your purchase by registering as soon as possible. Please contact your reseller for the registration URL. You will enter the activation number that was e-mailed to you by HP. (Upon order placement, be SURE to include the desired e-mail address of the person you'd like your information sent to).

Is Managed Print Services available for this Program?

No, it is not.

Will HP accept floor standing printers as part of the program?

HP will not pay for shipping of floor standing products. Customers may choose to utilize HP's recycling program however the customer is financially responsible for all shipping and handling costs associated with the return of these products.

What's the difference between the Trade-In and Save program and the Cash In Trade Up program?

The Cash In Trade Up program was designed to help customers take advantage of cost-effective printing and increased productivity with the newest additions to HP's industry-leading line of large-format printers. The Cash In Trade Up program provides customers the option of not returning your current large-format printer. The Trade-In and Save program was designed to help customers acquire new printers to take advantage of increased productivity and reduce the impact on the environment. To qualify for the product rebate the Trade-In and Save program requires customers to return their existing printer(s). See Terms and Conditions for complete details.
