

**SERVICE HAS BEEN OUR BUSINESS SINCE 1976**

Southwest School & Office Supply has been in business since 1976. Since the day we have opened our doors we have focused on the needs of the schools in California, and have put our customers first.

We have been servicing the Placentia-Yorba Linda Warehouse for the past 25 years, and now we are servicing them JIT. We are very pleased with this partnership and hope it continues to grow.

We sell a variety of school supplies, for example: Pacon® Construction Paper, craft supplies, Roaring Spring® Composition Books, Avery® Labels, Toner and Laser Cartridges, Printers, Technology Supplies, Chalk, Crayola® Crayons, Pencils, Copy Paper, Chart Pads, Binders, Expo® Markers, Furniture, 3M® Tape, Yarn, and much more. If you see something not listed in our catalog, contact your sales representative.
